

Lincoln School News

Greetings from Lincoln School,

Our school year is off to a fast and positive start. We have already held several events: Fall Festival, parent-teacher organization meetings, Movie Night, and field trips to see a performance at Lake Superior State University and Red Barn Farm. Please check out our Facebook page to stay current on events happening at your child(ren)'s school: Sault Elementary PTO Washington/Lincoln 2019-2020.

We have had a few changes to our educational staff. Mrs. Williams (second grade) has left our school and Stacey Savoie has replaced her. Stacey is an experienced Sault Schools veteran teacher who has previously taught second grade, but most recently, kindergarten.

Laura Fradl (second grade) has moved to the resource room at Washington School. Hillary Taylor is our new teacher in this position. Hillary is a Pickford native and recent Central Michigan University graduate.

Michelle Furest (fifth grade) has left us. This position was eliminated and therefore there is no replacement.

Lastly, Jenny Gerrie (paraprofessional) has moved to a different position in our district and has been replaced by Zuzana Duchacek. Zuzana grew up in the Czech Republic. She is a certified teacher with several successful years of teaching high school and middle school math.

Last spring, we were able to order our new greenhouse, thanks to scrap metal drives that our parent group, the Sault Scrappers had organized over the past few years. This summer, one of our parents, Andy Ditmyer, and several of his friends and family erected the new greenhouse on the playground, just to the south of our school. We will have power and water run out to this new structure in the near future. Thank you to all who helped throughout the past few years to make this project a success! We will use the greenhouse for our students to learn about agriculture and to grow plants and flowers for future fundraiser projects.

Please feel free to contact me anytime that you have a question or concern. I am always happy to hear from our parents and we are always seeking ways to improve our students and their families' experience at Lincoln School. You may reach me at edc@eupschools.org or 635-6627. I look forward to hearing from you.

Sincerely,

Edward F. Chevillot,

Principal

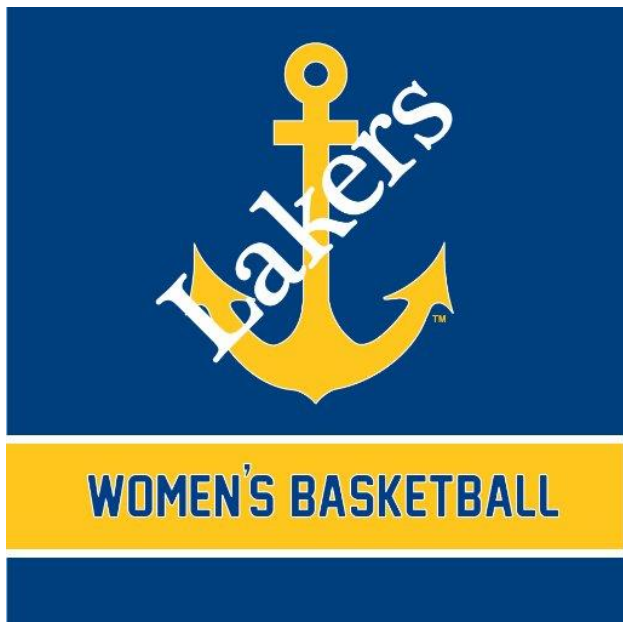

All School Field Trip

On Tuesday, October 8th our entire school took a field trip to Lake Superior State University's Arts Center to see a performance by the musical group Big, Bang, Boom! The musical group played age-appropriate, educational children's music.

Thank you to our parent-teacher organization for sponsoring this event. The students had a great time singing and dancing along with the performers.

Annual Fall Festival/Touch a Truck

Thank you to our parent-teacher organization for sponsoring our annual Fall Festival/Touch a Truck this past Saturday, Oct. 5. The weather was nice, and children of all ages enjoyed face painting, carnival games, and food items and of course, the trucks! We had a great turnout. Thank you to all of the parents and teachers who volunteered their time on a Saturday to make this event a huge success!

All School Field Trip: Women's Basketball – Lake Superior State University vs. Finlandia University

Our next all school field trip is scheduled for Friday, November 22. Our entire school will be going to Lake Superior State University to see the Women's basketball team play a game against Finlandia University.

Lunch will be served early on this date.

Transportation will be by school bus. We will be leaving at 12:30 and returning to Lincoln School at 2:30.
